PLEASE SPONSOR A KENNEL & SAVE A LIFE

Every day we are faced with scenes from the pounds like this – dogs due to die pleading for us to save them. We can only do this if we can fund a life saving kennel.

As the dogs we rescue are imminently due to die, we need to urgently remove the dogs from the danger they are in to a lifesaving safe haven kennel with an experienced kennel team where they can be rehabilitated both physically and mentally and prepared for our ultimate goal of finding them a forever home. We can sometimes have as little as a couple of hours' notice that a dog is due to die and it is vital to us to know that we have a kennel that we can fund available immediately to be a safe house for that dog. If we say yes the dog lives and if we say no the dog dies and that is a terrible burden as we are literally the last chance for that dog to live.

Our goal is to have as many kennels as possible funded per year so that we know that we can say yes when a pound, veterinary surgery etc contacts us. We are therefore desperately appealing for kennel sponsors to fund kennels to enable us to go into pounds and rescue dogs from being put to sleep. If we know that kennels are funded, we can rescue desperate dogs for whom time has run out knowing we have somewhere to bring them. The kennel will be used for dog after dog to save them from being destroyed.

Each kennel will have a plaque which you can choose to advertise a company or commemorate a loved one.
